

# Referee Football in 2018

- Get more involved in football
- Get paid while in the best seat in the house
- Support your club and park football

## Do you already play or coach?

No problem, we will give you games that fit all your restrictions. Most of our referees also have team commitments. You don't have to choose, you can do both!

## I don't know all the rules

GHFRA is running training programs in Feb / March at Christie Park to teach you all you need to know and fully equip you to get started.

## How does it help my club?

Referees usually ask to be appointed near home, so clubs who provide more refs end up with more of their games covered. No one likes a game with no ref.

## Who can apply?

We are particularly keen for more senior referees, so if you're over 18 and want to be more involved in football, give refereeing a go. If you're considering giving up playing, why not take up refereeing?

Referees must be at least 13 years old. Kids, if you're going to sign up, talk Mum or Dad into joining you at the course!

## How do I apply?

Full details on the courses including how to apply are at [www.ghfra.com.au](http://www.ghfra.com.au)

Some clubs are offering to reimburse members the course fee or to help pay for the referees uniform and equipment. Check with your club.
